ROSWELL, NEW MEXICO

Gentlemen:

The surface use and operations plan for the proposed well are as follows:

1. Existing Road

- A. Exhibit "A" is a portion of a general lease map showing the location of the proposed well as staked. Turn south off Highway 82 onto Highway 31, going south 8.2 miles. Turn west and go .3 mile to location.
- B. Exhibit "B" is a portion of a lease map showing all existing roads within a one mile radius of the well site. Turn west off Highway 31 on road .3 mile; need to put 2 inches caliche on old road surface for .3 mile.

2. Planned Access Road

- A. Length and Width: The new road will be 12' wide and approximately 270 ft. long. The new road is color coded blue on Exhibits "A" and "B". The proposed road has been staked and flagged.
- B. Surfacing Material: Six (6) inches of caliche, water compacted and graded.
- C. Turnouts: None required
- D. Culverts: None required
- E. Cuts and Fills: None required
- F. Gates and Cattle Guards: None required
