Re: Huber Federal
#1-J-3-20-25

Dear Kathy,

With respect to your letter of July 6, 1982 inquiring about the Huber Federal #1 in J 3-20-25, this well is very close to the Cemetery-Morrow Gas Pool. In this instance it would not be advisable to create a new Morrow-Gas Pool with an existing Morrow Gas Pool so close to the Huber Federal #1.

I hope I have answered your question satisfactorily.

Sincerely,

Larry Brooks
Geologist
