Und. Atoka Pool

Gentlemen:

Please send a C-103 showing the abandonment of the Wolfcamp formation and how it was abandoned at perfs 9074' to 9094'. This will need to be filed before an approval can be given.

Also, a Notice of Gas Connect showing date of connect of Atoka formation must be filed from the purchaser of gas before the C-104 can be approved.

Very truly yours,
