

INSTRUCTIONS

1964. It is to be filed with the appropriate Plans section of the Census Department within 30 days after the completion of a newly-tilled or replanted M. It shall be drawn, labeled and photographed in a similar manner to the well and a summary of differences between the existing well and new well, and between the old and new bottom of the newly tilled wells, two vertical photos shall be taken, one for multiple exposures, from 10 to 15 ft below the surface, and one from above. The forms to be filed in photographic section shall be as prescribed in appendix C, slide 1965.
