Dear Sir:

We have received the C-103 form showing a change of operator for the above captioned well.

Attached are copies of the new C-104 form.

In order to make this change, we will need the first three parts only of the C-104 filled out. At the bottom on the left hand side of the form is a place for the former operators name. The form must be signed by the former operator and the new operator and then submitted to the district office.

Sincerely,

A handwritten signature in cursive script that reads "Jim Morrow".

Supervisor Artesia District II
