Gentlemen:

We are returning your C-103 on the above captioned well so that you can include the necessary data as required by Rule 107 of the Division's Rules and Regulations.

You must show casing size, weight, grade, etc. You must also show volumes of cement and additives; WOC time and casing test, including pressure and length of time of test.

Regarding your request that this information be held confidential, Division Rule 1105 allows only the C-105 and well logs be held confidential.

Very truly yours,

Leslie A. Clements
