Gentlemen:

We acknowledge receipt of the C-103, plug and abandon, of the above captioned well.

Before an approval can be given, you will need to submit the C-105, completion report, the original and three copies, signed and notarized, of the Deviation Survey, and a copy of all logs that have been run on the well.

When these reports have been received and approved, the location site can be inspected and all approvals can be given.

Sincerely,
