Gentlemen:

We acknowledge receipt of your C-103 dated March 9, 1984, on the above captioned well.

However, we are returning it so that you can submit a C-103 showing the cementing of the 9 5/8" surface casing. ✓

We also need the hole size on the 5 1/2" casing, the amount of cement circulated to the pit, the WOC time, and the casing test.

All of the above are prescribed by Division Rule 107.

Very truly yours,

Leslie A. Clements
