RE: ANDERSON COM NO. 1 WELL
UNIT B, SEC. 10-T20S-R25E
EDDY COUNTY, NEW MEXICO

Gentlemen:

This letter is being written to request the Anderson Com #1 Well be granted an exemption from Rule 402. It has been our experience that Morrow wells are quite fragile and can easily be damaged by being shut in. We cannot afford to take this risk, therefore, we respectfully ask that you approve our request and allow the well to produce in its normal manner until such time as a problem occurs and the well has to be shut in for repairs.

Thank you for your consideration of this request.

Yours truly,

NEARBURG PRODUCING COMPANY

Charles E. Nearburg
President
