

INSTRUCTIONS

This form is to be filled with the appropriate Inspector Office of the Division, not later than 26 days after the completion of any newly filled or deepened well. It shall be accompanied by one copy of all electrical or mechanical data to run in the well and a summary of all reports to be furnished, in the case of all tests. All depths reported shall be measured depths. In the case of directionally drilled wells, true vertical depth shall also be reported. For multiple completions, Section 30 through 34 shall be reported for each zone. The form is to be filled in quadrants, except in state land, where no completion is required, see rule 1105.

INDICATE FORMATION TOPS IN CONFORMANCE WITH GEOGRAPHICAL SECTION OF STATE.
