## APPLICATION FOR DRILLING

RAY WESTALL

In conjunction with the form 9-331C application for perait to drill subject wells, Ray westall submits the following ten items of pertinent information in accordance with ELM requirements.

1. The Geological surface formation is quaternary.

2. The estimated tops of geologic markers are a follows: Yates: 2050' 7 Rivers: 2500' Queen: Grayburg: San Andres:

- The estimated depths in which anticipated water, cil and gas formations are expected to be encountered: Water 180 feet Oil & Gas listed above.
- 4. Proposed Casing Program: See for 9-331C.
- 5. Pressure Control Equipment: See Form 9-331C and Exhibit
- 6. Mud Program: Mud up at 100' before (D and circulate 2 hours after TD and pull drill pipe laying down run logs and casing,
- 7. Auxiliary Equipment: N/A
- Testing, Logging and Coring Frogram: Logging open hole, running gamma/ray and cement bond log.
- 2. No abnormal pressures of temperatures are participated.
- 10. Anticipated Starting Date: ASAP

## DESIGNATION OF OPERATOR

The undersigned is, on the records of the Bureau of Land Management, holder of lease

DISTRICT LAND OFFICE: Santa Fe, New Mexico SERIAL NO.:

and hereby designates

NAME: Ray Westall Address: Box 4, Loco Hills, New Mexico 88255

as his operator and local agent, with full authority to act in his behalf in complying with the terms of the lease and regulations applicable thereto and on whom the supervisor or his representative may serve written or oral instructions in securing compliance with the Operating Regulations with respect to (describe acreage to which this designation is applicable):

T. 195 R. 31E NMPM, Eddy County, New Mexico Section 21, NW/4 SE/4 Containing 40 acres, more or less from the surface to 2500!

It is understood that this designation of operator does not relieve the lessee of responsibility for compliance with the terms of the lease and the Operating Regulations. It is also understood that this designation of operator does not constitute an assignment of any interest in the lease.

In case of default on the part of the designated operator, the lessee will make full and prompt compliance with all regulations, lease terms, or orders of the Secretary of the Interior or his representative.

The lessee agrees promptly to notify the supervisor of any change in the designated operator.

(Signature of lessee)

801 Travis Street Suite 2100 Houston, Texas 77002 (Address)
