Re: 30-015-25366 Connie "C" State #1  
Request for C-141 and Bio-Remediaton Required.

Dear Prarie Sun,

A general inspection conduced on 10/29/2002 at the Connie "C" State #1 has found  
The hydrocarbon contaminated area that exist between the stock tanks and the surface  
Pit has not received the remedaition actions as requested by both verbal and letter forms.

This contaminated area as metioned above is in violation of R-116.D. Corrective Action.

Please file form C-141 report of unauthorized release to the Artesia district office if the  
Spill meets requirements under rule 116.A. NOTIFICATION.

Please send O.C.D. the requested C-141 form and begin remediation actions to correct  
The hydrocarbon spill site refered to in this letter no later than 11/15/2002.

Notfie N.M.O.C.D. to witness any remediation actions or soil sample events that  
Area taken for analyticals that N.M.O.C.D. may have the opportunity to witness.

Sincerely,

*Mike Stubblefield*
