

This form is to be filed with the appropriate District Office of the Division not later than 20 days after the completion of the drilling of the deepened well. It shall be accompanied by a log of the well and a true and correct copy of the plan of the well. In the case of directional drilling, the vertical depth shall also be reported for multiple completions. Form 70, though, it shall be reported for each zone. The form is to be filed in duplicate except on state land, where six copies are required. (see Rule 1105).
