Re: Notice of Intent to Make Interim Collection by
Nearburg Producing Company (Operator) for the
Anderson 10J #2, Cemetary Morrow
Eddy County, New Mexico

Dear Mr. Wales:

This letter will serve as notice of Seller's intent to make interim collection pursuant to 18 CFR S 273.202 for well classification determination under Section 102 and 103 of the regulations, including applicable adjustments, of the Natural Gas Policy Act of 1978 (NGPA). Notice is given on behalf of the Operator and all joint interest owners whose names and addresses appear on the attached list.

Gas production from the referenced well was not committed to interstate commerce on November 8, 1978.

The interim rate to be charged and collected is the rate shown on the attached FERC Form 121 as prescribed by the FERC under NGPA regulations and is to be effective for gas delivered on and after the date the jurisdictional agency receives the application and shall extend until such interim collection authority terminates. A copy of the jurisdictional agency letter of notice of receipt of the application will be furnished you, the purchaser.

A duplicate of this letter is enclosed and it is requested that you acknowledge receipt of same by signing in the space provided below and returning a copy for our records.
