13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

This well was TA'd with a successful casing integrity test 10-12-93. TA approval was granted. Marathon Oil Co. is requesting an extension of the TA status. The well is in the area of the Tamano waterflood and is currently being re-evaluated as a water source well.

This approval of temporary
abandonment expires 11/27/97

Condition of Approval

At the expiration of this approval, this well must be returned to beneficial use or plugged and abandoned. If additional extensions to this TA are needed, you must provide appropriate justification and an estimated date that the well will be returned to beneficial use or plugged and abandoned.
