14. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)\*

Please see the attached form for surface commingling, off lease storage and measurement for the Carl TP Com #1 and the Carl TP Com #2, both of which are located on a fee lease but both are communitized under different Com Agreement Numbers.

The battery is located on the Carl TP Com #1 location. Please see the attached map and site facility diagram.
