PO BOX 936

ROSWELL, NM 88202-0936

Dear Sirs:

The following inspection(s) indicate one or more violations as described in the detail section below. The inspection(s) indicates that the well, equipment, location or operational status failed to meet standards of the New Mexico Oil Conservation Division. To comply with guidelines as established in the Division Rules and Regulations, corrective actions must be taken immediately and the situation brought into compliance. The detail section below indicates preliminary findings and/or probable nature of the violation. This determination is based on an inspection of your well or facility by an inspector employed by the Oil Conservation Division.

Please notify the proper district office of the Division of the date corrective actions are scheduled and arrangements made so the well and/or facilities may be reinspected.
