(Note: Report results of multiple completion on Well Completion or Recompletion Report and Log form.)

3. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

Yates Petroleum Corporation is submitting application for produced water from the above well pursuant to NTL-2B, Section II, and requests your approval. The well produces approximately 1000 BWPD from the Canyon formation. The water is stored in a 500 barrel fiberglass tank and transported through a 6" and/or 8" PVC water line to Yates' State "CO" SWD Gathering System which consists of 9 disposal wells (see attachment 1).

A water analysis is attached.
