\* Designates items certified by company that conducted the inclination surveys.

## RECORD OF INCLINATION (Continued from reverse side)

An inclination survey made by persons or concerns approved by the Commission shall be filed on a form prescribed by the Commission for each well drilled or deepened with rotary tools or when, as a result of any operation, the course of the well is changed. No inclination survey is required on wells that are drilled and completed as dry holes that are plugged and abandoned.
