13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

Produced gas is too small to measure.

Request approval to flare gas until sufficient lease gas is produced to provide an economical sales volume.

It is also requested that royalty payment on the flared gas be waived until an economical daily volume can be produced.
