WOC Time for 8 5/8" Casing**

Dear Bill,

I am returning your subsequent report C-103s. Please indicate the time the drilling contractor waited on cement for your 8 5/8" casing. OCD rules and regulations require at least 18 hours WOC for all casing strings under Rule 107.G. unless Option 2 is approved by the District Supervisor first and then implemented.

If you have any questions, please give us a call.

Yours Truly,

Bryan G. Arrant
