**RE: *Shut-In Notice for KCS Medallion Resource's Greenwood Federal Com. #2, located in Unit D,
Section 27, Township 18 South, Range 31 East, Eddy County, NM.***

Dear Sirs/Madams,

In reference to the above well, KCS Medallion Resources is ordered to shut-in said well immediately for non-compliance to OCD rules and regulations. On March 23rd I contacted your office requesting a change of operator (OCD Form C-104), a full set of electric logs, notarized well deviation report and a 4-point test (OCD Form 122). Again on April 13th I called your office and asked for this information. As of this date we have not received any of the required regulatory information.

If you have any questions regarding this shut-in order, please feel free to call.

Respectfully yours,

Bryan G. Arrant
District Geologist-Artesia
