

12. Other Information

- A. The area surrounding the well site is gypsiferous and supportive of desert scrub and grassland formation. The vegetation is moderately sparse with desert scrub.
- B. No permanent water or water wells are within a 1 mile radius of this location.
- C. A cultural resources examination has been submitted by Desert West Archeological Services Inc. to the BLM office in Carlsbad, New Mexico.

13. Lessee's and Operator's Representative

The Anadarko Petroleum Corporation representative responsible for ensuring compliance of the surface use plan is:

George Buehler  
Staff Drilling Engineer  
(915) 682-1666 (office)

Anadarko Petroleum Corporation  
P. O. Box 2497  
Midland, TX 79702

Certification

I hereby certify that I, or persons under my direct supervision, have inspected the proposed drill site and access road, that I am familiar with the conditions that presently exist; that the statements made in this plan are, to the best of my knowledge, true and correct; and that the work associated with the operations proposed herein will be performed by Anadarko Petroleum Corporation and its contractors under which it is approved.

Signed: George Buehler  
George Buehler - Staff Drilling Engineer
