Dear Mr. Linville;

Enclosed is a copy of our cultural resource report for the following Devon SFS Operating, Inc. project:

**The Strawberry "7" Federal Number 2
Proposed Well Location and Access Road
Section 7, T.19S., R. 31E Eddy County, New Mexico**

A records check was completed at the Bureau of Land Management, Roswell District, Carlsbad Field Office, and the State of New Mexico Archaeological Records Management Section. The records check of T. 19S., R.31E., Section 7 and within one mile revealed no previously recorded sites. During the current inventory, six isolated occurrences were encountered, recorded and their research potential exhausted in the field.

Archaeological clearance is recommended for the proposed Strawberry "7" Federal Number 2 well location and access road, located in Section 7, T. 19S., R.31E, with no stipulations.

If you have any questions regarding the report, please do not hesitate to contact me.
Thank you.

Sincerely,

Doralene Sanders
President and Office Manager
