Attention: Mr. E. L. Shafer

Gentlemen:

Reference is made to your request of June 6, 1951, for permission to drill your wildcat well H. W. Bass No. 1 in an unorthodox location - namely, 470 feet from the south line and 850 feet from the east line of Section 5, Township 22 S, Range 21 E, NMPL, Eddy County, N. M.

It is our understanding that this unorthodox location is feasible because of difficulties of terrain, as explained in your letter of application. Under authority given me by Rule 104 (Paragraph f, Section 1) of our Rules and Regulations, I therefore approve your proceeding with operations on this well as contemplated by your company.

Very truly yours,

R. R. Spurrier
Secretary - Director
