Attention: Mr. Glenn Dobson

Gentlemen:

In reference to our phone conversation this date concerning your Indian Basin-A #1-J/22-21-23 well.

You stated that this well was not connected in the Indian Basin Morrow, and that only the Upper Penn. side was connected.

Our records indicate that this well is connected from both the Morrow and the Upper Penn. effective January 26, 1966.

We are enclosing copies of connection notices in our files for your verification.

If these are incorrect please notify our District office in Artesia. They will issue a supplement to remove this well from the schedule.

Very truly yours,

cc: Oil Conservation Commission
