

Artesia, New Mexico
August 9, 1937

Mr. Guy Shepard
State Oil Inspector
Box 1545
Hobbs, New Mexico

Dear Mr. Shepard:

Enclosed please find report
on result of plugging Glen F. Featherstone
State Well No. 1.

We made the report in quadruplicate and would ask you to kindly return one approved copy to us that we may file same with the surety company, when we ask said company to release the surety bond covering said well.

We do not have any regulation state blanks upon which to submit to you a log of the well. However, we are enclosing copy of said log in quadruplicate and if you wish same made on regulation form, kindly send us about four blanks and we will promptly fill out same and return to you.

Trusting that the within report will be satisfactory with you, I am,

Yours truly,

William Dooley
