Undesignated Pool, Eddy County,  
New Mexico.

Dear Sir:

Please refer to my letter of January 26, 1956, and comply with the request of that letter immediately. In the event that you have misplaced the letter, it was as follows:

"Yes, it will be O.K. to plug the Malco-State No. 1 Well by filling the hole with pit mud & drill cuttings. Then set the regulation marker with the well number, quarter-quarter Section, Township and Range number stenciled thereon. Also file Form C-103 (in triplicate), Report of Plugging, along with Form C-105, Well Record, (6 copies)."

Please give this matter your immediate attention.

Yours very truly,
