Dear Sir:

Reference is made to your letter of July 22, 1953 pertaining to a well location in Section 14, Township 21 South, Range 27 East, Eddy County, New Mexico.

Inasmuch as the well is within one mile of the producing well completed in the SE/4 SE/4 of Section 15, this location is technically not unorthodox therefore, permission is hereby granted to drill a well 330 feet north and east of the SW/4 NW/4 of Section 14.

Very truly yours,

R. R. Spurrier
