March 7th, 1935.

Mr. H. S. Magruder,
1018 E. Overland St.,
El Paso, Texas.

Dear Sir:

This is in reply to your
letter of February 28th.

I see no objection to your
drilling an additional well just North of
the present well with the intention of
going over to the 600-650 Ft. level.

A bond in the amount of \$1000.00
along the lines of the bond now in our files
with H. S. Magruder and A. W. Rutter as prin-
cipals and Daniel Vaughn and Gus Anison as
Sureties in the amount of \$2000.00 under date
of June 26th, 1934, will be satisfactory.

Very truly yours,

E.H. Wells
State Geologist

Mr. J. Edgar Hoover
Federal Bureau of Investigation
Washington, D.C.

Dear Sir:

This is in reply to your
letter of February 17, 1944.

I see no objection to your
utilizing an additional \$100,000
of the present bill with the intention of
going over to the \$200,000 level.

A bond for the amount of \$100,000
also has been issued to the Bureau as part
of the \$200,000 bill. The bill is being
issued and handled as a single
unit in the amount of \$200,000 under care
of the Board, 1944, will be satisfactory.

Very truly yours,

W. A. Rorer
Chief Clerk
