Re: Bunnel Magnolia State Wells 2 and 3,
Section 15, Township 21 South, Range
27 East, Eddy County, New Mexico

Dear Mr. Bunnel:

Mr. M. L. Armstrong, District Supervisor of the Commission's Artesia office, has informed me that the subject wells should be plugged. It is my understanding that these wells have been inactive for some time, and that in spite of instructions by Mr. Armstrong to either complete the wells or plug them, you have done neither.

Please arrange to have these wells plugged by September 1, 1961. Mr. Armstrong should be contacted for an approved plugging program and must be given the opportunity to witness the plugging.

Very truly yours,

SANTA FE, NEW MEXICO

Dear Sir:

I am pleased to inform you that your application for membership in the U.S. Conservation Commission has been approved. You will receive a membership card and a copy of the Commission's charter in the near future.

The U.S. Conservation Commission is a non-profit organization dedicated to the preservation of our natural resources. We are currently working on a number of projects, including the establishment of new national parks and the protection of endangered species. Your membership will help us in our efforts to conserve our environment for future generations.

If you have any questions or need further information, please contact the U.S. Conservation Commission at the address above. We appreciate your interest in our work and look forward to your continued support.

Sincerely,
[Signature]

Very truly yours,
[Signature]

Enclosed for you are two copies of the U.S. Conservation Commission's annual report. This report provides a detailed account of our activities and accomplishments over the past year. We hope you will find it interesting and informative.
