May 3, 1954

Mr. L. A. Hanson
New Mexico Oil Conservation Commission
Room 205
Albuquerque, New Mexico

Dear Sir:

Enclosed herewith please find the Well Record covering
A. W. Rutter's No. 1 Ohio-State, located in the SE/4 SE/4,
Section 21, Township 20 South, Range 28 East, Eddy County,
New Mexico, which was drilled on State of New Mexico Lease
No. ~~B~~-11277, that was loaned us from the file in your office.

We greatly appreciate your kindness in loaning us this
record for the purpose of reproduction. Mr. Rutter had failed
to furnish us with any of the state records that were neces-
sary to have been filed, covering the drilling of this particular
test.

Yours very truly,

THE OHIO OIL COMPANY
Land Department
