

April 13, 1961

Oil Conservation Commission
Drawer DD
Artesia, New Mexico

Dear Mr. Armstrong:

We are in receipt of your letter of Jan 12, 1961, No. A 32, cancelling the allowable of George Conley, Mayfield, 2-0, 33-20-28, Saladar-Yates Pool, for failure to file C-115.

Due to the fact that no one has been actively managing the business of the Company, the reports have been late. However, we have now submitted these though March 1961, and will attempt to remain current in the future.

Please advise what other action is necessary to have our allowable reinstated.

Very truly yours,
BASIC MATERIALS, INC.

George E. Conley
