Mr. F. J. Vesely,
State Oil and Gas Inspector,
Carlsbad, New Mexico.

Dear Mr. Vesely:

I am returning to you in triplicate your form SG 106 concerning the plugging of the George Etz et al No. 1 State well in 36-20S-28E, Eddy County, New Mexico.

It was fortunate that you reminded me of this detail as I was under the impression that I had sent in all necessary forms and the well was a thing of the past. Thanks and I am sorry that I have delayed you.

You will note that the forms are signed by A. N. Etz instead of George Etz. George Etz is out of the country for six weeks or two months. A. N. Etz his brother is in partnership with George Etz so I assume that his signing the form will be satisfactory with you.

Very truly yours,

A handwritten signature in cursive script, reading "Neil H. Wills". The signature is written in dark ink and is positioned below the typed name "Very truly yours,".
