Martin Yates, III, et al
Box 182
Artesia, New Mexico

El: Las Cruces 029012

Gentlemen:

Receipt is acknowledged of your "Notice of Intention to Drill" dated June 10, 1944, covering your No. 1 Stebbins Well on the subject land in SW $\frac{1}{4}$, Sec. 29, T. 20S, R. 29E, Wildcat Field, Eddy County, New Mexico.

Your proposed work is hereby approved subject to compliance with the provisions of Section 2 of the "Oil and Gas Operating Regulations" revised May 25, 1942, a copy of which will be sent you on request, and subject to the following conditions:

1. Drilling operations so authorized are subject to the attached sheet for general conditions of approval.
2. Drilling operations so authorized shall be in conformity with the terms and conditions of Petroleum Administrative Order No. 11 (formerly WPS Conservation Order M-68) or any modification or amendment thereof.
3. A temperature survey is required to determine the top of the cement if a salt section is penetrated.
4. A percentage sample log, written and plotted according to the U. S. Geological Survey legend, is required from the surface to the total depth.

Yours very truly,

John A. Pro T.
JOHN A. PRO T.
District Engineer.
