Dear Sirs:

We have been advised by Mr. J. R. Watson, Production Superintendent for Mr. James H. Snowden, of their intention to drill a well (Form C-101) located 1650 feet from North and 2310 feet from West in Section 32, Township 20 South, Range 30 East, Eddy County.

Potash Company of America has no objection to the location of this well.

Yours very truly,
