Dear Sir:

In checking thru our files I find that we do not have form C-105 on the above mentioned well.

Please file form C-105 with this office as soon as possible. Form C-105 should be filed with this office before plugging program is approved.

Yours very truly,

Figure 1. The effect of the concentration of the *Agrobacterium* suspension on the transformation efficiency of *Agrobacterium* strains. The number of transformed cells was determined by the number of colonies growing on the selective medium. The results are the mean of three independent experiments. Error bars represent standard deviation.
