DETAILS OF WORK

(State names of and expected depths to objective sands; show sizes, weights, and lengths of proposed casings; indicate mudding jobs, cementing points, and all other important proposed work)

Propose to run 400 feet of 7 inch liner and set at 2700 feet. Liner to be hung on liner hanger and cement circulated. 9-5/8 inch casing is cemented to surface and set at 2373 feet, giving approximately 73 feet of overlap.

Verbal approval obtained March 17, 1959, by J. G. Yope, from S. Evans and J. Anderson.

I understand that this plan of work must receive approval in writing by the Geological Survey before operations may be commenced.

Company Shell Oil Company (and Texas Crude Oil Company)

Address Box 845

Roswell, New Mexico

By R. L. Elkins

Title Division Mechanical Engineer

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and the role of the accounting department in ensuring the integrity of the financial statements.

2. It also highlights the need for regular audits and the importance of having a strong internal control system in place to prevent fraud and errors.

3. The second part of the document focuses on the importance of communication and collaboration between different departments, particularly between finance and operations.

4. It emphasizes the need for clear lines of responsibility and the importance of having a strong working relationship between all stakeholders involved in the financial process.

5. The third part of the document discusses the importance of staying up-to-date with the latest financial regulations and the need for ongoing training and development for all staff members.

6. It also highlights the importance of having a strong understanding of the company's financial position and the ability to make informed decisions based on that information.

7. The fourth part of the document focuses on the importance of having a strong understanding of the company's financial position and the ability to make informed decisions based on that information.

8. It also highlights the importance of having a strong understanding of the company's financial position and the ability to make informed decisions based on that information.

9. The fifth part of the document discusses the importance of having a strong understanding of the company's financial position and the ability to make informed decisions based on that information.

10. It also highlights the importance of having a strong understanding of the company's financial position and the ability to make informed decisions based on that information.
