(Note: Report results of multiple completion on Well Completion or Recompletion Report and Log form.)

13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

Verbal permission was received from Shannon Shaw w/BLM - Carlsbad, by Jim Krogman, Completion Foreman with Yates Petroleum Corporation on June 10, 1993 to change plans as follows:

PRESSURE CONTROL: There will be a two-ram type preventor and test will be conducted by Jim Krogman with Yates Petroleum Corporation.

There will not be any mud monitoring equipment, flow sensor equipment or a pit level indicator.

Will not be using an annular preventor.

NOTE: Information on offsets indicates that there will not be a need for any of the above mentioned.

14. I hereby certify that the foregoing is true and correct

Signed Rusty Allen
