Re: Notice of disconnection for Morrow
Gas completion in the North Indian
Basin Unit Well No. 1 (Upper Penn-
Morrow Gas dual well), Indian Basin
Field, Eddy County, New Mexico.

11-10-21-23

Dear Sir:

Marathon Oil Company as gas transporter of the Morrow Gas from the above captioned well, wishes to inform the New Mexico Oil Conservation Commission that this completion was disconnected from the Indian Basin Gas Gathering System on December 19, 1970.

Marathon respectfully requests that this completion be removed from the gas proration schedule and be assigned temporary abandoned status since the Morrow completion will be off production for an indefinite period of time.

Yours very truly,

MARATHON OIL COMPANY
