Re: Packer Leakage Test
Indian Basin "B" Gas Com
#1 K-14-21-23

Gentlemen,

According to our interpretation of the Packer Leakage Test on the subject well, the chart indicates a leak.

The leak needs to be repaired within the next thirty days.

Please notify this office 24 hours prior to starting repair work. ~

Sincerely,

A handwritten signature in cursive script that reads "Mike Williams".

Mike Williams
Oil & Gas Inspector
