Attn. Mr. Reed Albritton

Dear Sir:

This will acknowledge receipt of Form C-101, Notice of Intention to Drill, for Tom Brown Drilling Co., Inc. # 3 Hackberry Hills Unit located in Sec. 2-22S-25E, Eddy County, New Mexico. However we only received 4 copies, and we need 6 copies on State land.

Also this well is in the water basin and we need to be notified when the 9 5/8" casing is on the location, so that we can inspect it.

Very truly yours,

OIL CONSERVATION COMMISSION
