On 1/26/66 we sent C-104 for Robert N. Enfield, #2 West Indian Basin Unit, we failed to add Gas "Com" to the lease name. We have made this correction on our copy, would you please correct your copy.

Thanks,

This will acknowledge receipt of your Form C-104 for the above-mentioned well showing a split connection for the Dry Gas and the transporters to be Southern Union and Natural Gas Pipeline. However, as we only received three (3) copies of this Form, it will be necessary for you to submit three (3) additional copies. Thank you.
