Gentlemen:

This office has received a "Notice of Gas Connection" for the subject well from Southern Union Gas Company. However, before a "Split Connection" may be authorized, Form C-104 showing both Marathon and Southern Union as gas transporters must be filed. The form should be in the correct operating name and must have Sections I, II, III and VI filled out completely.

If there are any questions on this matter, do not hesitate to call upon me.

Very truly yours,
