Attention: Mr. Paul G. White

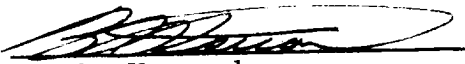

Dear Sir:

Reference is made to your letter of April 19, 1968 to our Hobbs office concerning the plugging of your Hondo-Singer "A" Well No. 1, Section 7, T-20-S, R-27-E, Eddy County, New Mexico.

Although we have no objection to your plugging procedure, Marathon does not have the facts and information necessary to approve of your plan.

We trust that this waiver of objection will satisfy the New Mexico Oil Conservation Commission.

Yours very truly,

  
B. G. Howard  
District Operations Mgr.
