Re: Martha Creek No. 1 J, 30-21-24,
Indian Basin Gas Dual

Dear Mr. Crupper:

We are in receipt of Form C-104 dated January 3, 1966, for both the Morrow and Upper Pennsylvanian zones of the subject well. We note that the operating name has been changed from Kerr McGee Oil Industries Inc. to Kerr McGee Corporation. Whenever there is a change in operating name, lease name, well no. etc., the same must be noted in the "Other" section at the top of the form. Please verify this name change by return mail and we will enter the information for you.

You will note, upon receipt of the approved forms, that the lease name has been changed to Martha Creek Gas Com. This change has been made in compliance with Memo 2-65 as attached to the front of the July, 1965 oil proration schedule.

Further, as the acreage dedicated to the well is communitized, we require three copies of Form C-102, for each zone, with the various leases outlined and identified as to working interest and royalty ownership. Copies of Form C-102 are enclosed for your convenience. Form C-102 need not be signed by a land surveyor.

Very truly yours,

OIL CONSERVATION COMMISSION
