Re: Packer Leakage Test  
#1 Martha Creek Gas Com  
NW SE 30-21-24

Gentlemen:

The subject report was received in this office on September 11, 1967. However, the charts were not attached as required in instruction #8, on said form.

By letter of September 12, 1967, we requested that said charts be filed at your earliest convenience. To date they have not been received in this office. Therefore, if said charts are not in this office by November 1, 1967, the allowable will be cancelled on this well until such time as they are filed.

Very truly yours,

OIL CONSERVATION COMMISSION
