RE: Packer Leakage Test

Lowe State Gas Com #1

F-36-21-23

Cerf Federal Com #2

F-10-21-27

Gentlemen:

As per your October 4, 1988 request concerning the above, please be advised that the packer leakage test will be run on the Cerf Federal Com #1 early next week. Concerning the Lowe State Gas Com #1, please see attached information.

Please contact me if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Scott Sanders".

Well is no longer a dual completed well.

Will not need a P.L.T.
