Re: Indian Federal Well No.
1 G 19-21-24, Indian
Basin Gas Dual

Dear Mr. Wigzell:

Form C-104 dated December 8, 1965, filed for both the Morrow and Upper Penn. zones of the subject well, shows only Marathon Oil Company as the gas and condensate transporter. The forms if approved in this manner would result in Marathon Oil Company being the only legal transporter. If the well is to have a split connection, both transporters must be shown in the appropriate blanks on Form C-104. Therefore, either inform this office, by letter, that Marathon is to be the only transporter or refile Form C-104 showing all transporters as outlined above. Please send sufficient copies so that each transporter may receive one. This number would be equal to 3 plus the total number of transporters.

As the acreage dedicated to the well is communitized, the lease name should be changed to Indian Federal Gas Com. See item 2 (f) Memo 2-65 as attached to the July, 1965, oil proration schedule. In this connection we re-
