Re: Winston No. 1 K 31-21-24,
Indian Basin Dual Completion

Gentlemen:

We are in receipt of Form C-104s dated 1-4-66 for the subject well. As we must send copies of the same to two gas transporters, please send one additional copy of Form C-104 for each zone.

You will note, upon receipt of the approved forms, that we have changed the lease name to Winston Gas Com. This change is in compliance with Memo 2-65, which was attached to the front of the July, 1965, oil proration schedule.

Further, we need 3 copies of Form C-102 showing the working interest and royalty ownership for the Upper Penn. zone as required by item (2) of Form C-102.

Very truly yours,

OIL CONSERVATION COMMISSION
